

Believe, Achieve, Soar with Pride

A Note from the teacher

Welcome to Year 1! As you might guess there are a lot of differences in Year 1 compared to reception. The toys are gone (mostly) and the children are expected to work at desks a little more. We will try to have fun and interesting lessons though that means your children won't miss them too much.

Mr Machin

Important Reminders

Book Bags and reading records - Book bags are used to transport children's homework, letters and other items that your child needs to take backwards and forwards from home to school. Just a reminder to parents and children that book bags and reading records should be brought into school **every day** so that children can read their books with an adult in school. We read their books every day and if it is not in school they cannot get their books changed as often as they'd like.

If you have lost or if your book bag is damaged, you can get a replacement from the office for £2.

Thank you for your support with this!

This term in class we are learning about...

- How to use capital letters, finger spaces and full stops in a sentence.
- We will be learning about number pairs, the 2 and 5 times tables as well as the different properties of shapes.
- In history we will be learning about the Great Fire of London as well as testing how the fire spread. In Geography we will be looking at different map skills.
- We will also be looking at light and shadows during our Design Technology lessons

Year 1 Newsletter

PE Kits

Class 1's PE sessions are now taught on a **Monday and Wednesday** every week.

Just a quick reminder jewellery cannot be worn during PE sessions so please remove earrings from children on these days if they cannot take them out themselves. Thank you!
