

Believe, Achieve, Soar with Pride

A Note from the teacher

Hello everyone! Where has the time gone? I hope you all had a wonderful Easter holiday.

We have a very busy, busy, busy term with lots to try and cram in before the end of this year. As you know, the children have been working very hard and we are almost near the time to complete their Year 2 SATs. After these are out of the way, the work doesn't stop there as we have lots of exciting things happening so please make sure to keep checking our school Facebook page and the school website.

Important Reminders

Book Bags and reading records - Book bags are going to be used to transport children's homework, letters and other items that your child needs to take backwards and forwards from home to school. Just a reminder to parents and children that book bags and reading records should be brought into school **every day** so that children can read their book in school with an adult. Your child should be reading **at least three times** a week at home and their reading record should be signed by an adult.

If you have lost or if your book bag is damaged, you can get a replacement from the office for £2.

Thank you for your support with this!

Toys - Just a quick reminder that toys or personal belongings **should not** be brought into school in case they get lost or damaged. Again, thank you for your support with this.

This term in class we are learning about...

- Narrative, diary entries, letters and non-chronological reports in English.
- Number and place value, mental methods for the four operations, written methods for addition and subtraction, money and fractions in maths.
- Great Explorers in history, Kenya in geography, plants and animals in their habitats in science, E-mails in computing and lots of exploring themed projects in music, art and design and technology.
