Clubs	<p>After lengthy discussion, school council agreed to request that after the half term holidays the following clubs be run...</p> <p>Gymnastics Cooking Computing Playing out on the yard/go-kart club Music Radio Film (KS2)</p> <p>Mr W explained that we might not be able to run all of them, but that the staff would be asked if they could run one of these clubs. Mr Wood to email staff to organise this.</p>				
Gardening update.	<p>Before Christmas we were unsuccessful in trying to win a bid for some money to improve our outdoor area. However, we have since won an award of £2000 for “Edible Growing”. The council had lots of ideas of what they wanted to do with the money and want to meet with Helen the lady who will be working with us for this grant. Some of the ideas included growing...</p> <p>Tomatoes, beetroot, potatoes, carrots, sweetcorn (for popcorn), blueberries, blackberries, strawberries, lettuce and Bailey wants to grow wheat to try to make our own bread. Mr W said that he didn’t know if we would be able to grow all of this, but we would take advice from and work with Helen from OASES. The council asked whether we could have a tasting session to try our produce, and then if it was good, we could put some of it on the salad bar at lunchtime. The council also suggested there being a gardening club that might be able to work at lunchtime as well as afterschool. The council also want to do an assembly to tell the rest of school about it.</p>				
AOB	<p>The council brought up the run that all school take part in on the afternoons. There was much discussion about the run and quite a lot of disagreement. The children are not happy that some people are not taking part in the run properly. They said that people are talking and not running and just walking, including some of the members of school council themselves. We discussed ways to improve things. Miss Potts used to give out dojos to people doing well, but has stopped doing this. We would like this to start again. It was also suggested that if there was some loud music on, people might join in more and sing whilst they run instead of walking and talking. We ran out of time so will discuss this more in the future.</p>
