

School Council Meeting – 9/1/19

Minutes

In attendance	Y2 Rebecca Bailey	Y3 Mia Liam	Y4 Julia Declan	Y5 Kieran Ebony	Y6 Layla Lucas
OPAL	The new play equipment is being used and everyone is quite happy with it. In addition to the new scooters, we also have a new basketball/netball hoop that has been put up where the children had requested. We went outside to have a look and everyone is happy with it.				
	The children are accessing the outdoor area in EYFS during lunchtimes. There was a discussion around this and what would be appropriate and inappropriate behaviour. It was agreed that school council will monitor behaviour to see how things go.				
	We took this opportunity to review what school council has done during the Autumn term and whether we're happy with our achievements so far. It was agreed that lunchtimes have definitely improved and that the children's own input has made a difference.				
What next?	Having spent a long time talking about lunchtimes, we discussed what we want to do next. There was no agreement on a specific focus. We need to look at this next time. Reading partner classes. Clubs				

Agenda for next meeting

Reading partner classes.
