

Tuesday 15th October
I can explain how the shapes made from some materials can be changed

	Bend?	Stretch?	Squash?	Twist?
Blue-tac	✓	✓	✓	✓
Rubber	✓	✗	✗	✓
Pencil	✗	✗	✗	✗
Paper	✓	✗	✓	✓
Rock	✗	✗	✗	✓
Cloth	✓	✓	✓	✓
Plastic Bottle	✗	✗	✓	✗

22.10.19

- 1) Blu-tack was the most flexible ✓
- 2) Pencil rubber was the least flexible. ✓
- 3) Blu-tac would be the best for a string armstrong doll because it didn't slip. it ~~doesn't~~ does stretch. ✓
- 4) Rock would be the worst for a bondy ruler because it isn't flexible. ✓
