

SEND support during COVID -19

VCS Organisation	Service description	Contact details
Little treasures Support group	<p>Covid-19 is a very worrying time for our families and children. Our private support page is available 24/7 for parents/carers to seek advice, support or information from thousand of other parents in similar positions. We have been sharing some amazing tips and advice regarding our autistic children during this pandemic, support with school work, routines and visual aids. If someone is really struggling and feels they need to chat online, they can contact one of our admin or if they need to speak directly they can ring the mobile on our Facebook page and someone will get back to them.</p>	<p>For more information visit Little Treasures face book page Contact Laura or Michelle 07749 681130</p>
