

Believe, Achieve, Soar with Pride

A note from the teacher

After a challenging time, I am happy to welcome you all back to school and to year 6! At school, we will all be getting used to changes in general school life so if you have any questions or concerns please send me a dojo message. Mr Watson will still be working with the class and the both of us can't wait to get going!

PE

Our PE lessons take place on Wednesdays and Thursdays. Children are asked to come to school on these days in their school P.E. kit.

This term we are learning about...

Due to the time missed at school because of COVID-19 there will be a focus on reading, writing and maths.

However, we will work hard to try and still provide a broad and balanced curriculum including studying:

- Exploring light and how humans see in Science.
- Looking at healthy meals and diet in design and technology.
- Finding out about different forests and why they are important in geography.
- Learning about different rituals and why people use them in R.E.

Year 6 Newsletter

Homework

Children will be given a homework book with 10 tasks to choose from. Each task will be worth a different number of dojos. At the end of the half-term I will collect the books in and dojos will be awarded. Spellings and other homework may be given at during the term to supplement learning in class.

Important reminders

Remember to have your Accelerated Reading book in school every day and write a comment in your reading log at least 3 times per week.

We are continuing to use Class Dojo to reward children, share photos and give updates on class activities. If you have an existing login this should still work. Please contact Mr Haynes if you have not been registered or have any issues with accessing your account.

Diary dates

- Roald Dahl Day - Friday 11th September
- National Poetry Day - Thursday 1st October
- Parent Consultations - Monday 12th October

More details about these events and others will follow during the term.
