

Believe, Achieve, Soar with Pride

A note from the teacher

The summer term is here! This term, children will be completing their SATs in the week beginning 9th May. As well as tests, the children will also be assessed on the independent writing they produce in class against the framework set out by the government. If you have any further questions, please get in touch.

Websites for home-learning

Children have access to several websites at home that can help them make further progress and work on areas they find difficult:

<https://satscompanion.com>
<https://app.century.tech/login/>

Both these websites have learning videos and suggest activities based on weaknesses identified in both maths and English.

TT Rockstars is still also available.
